# PROJECTS

📍 @dromartarawneh

# WORKSHOPS AND TRAINING SESSIONS

These programs are designed to assist individuals in making and implementing informed educational and occupational choices.

A career guidance and counseling program develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning using range of activities and exercises that make such workshops and session alive and memorable.

# CAREER COUNSELLING

Inspecting clients' career-related aspirations, concerns, and uncertainties throughout the consultation process

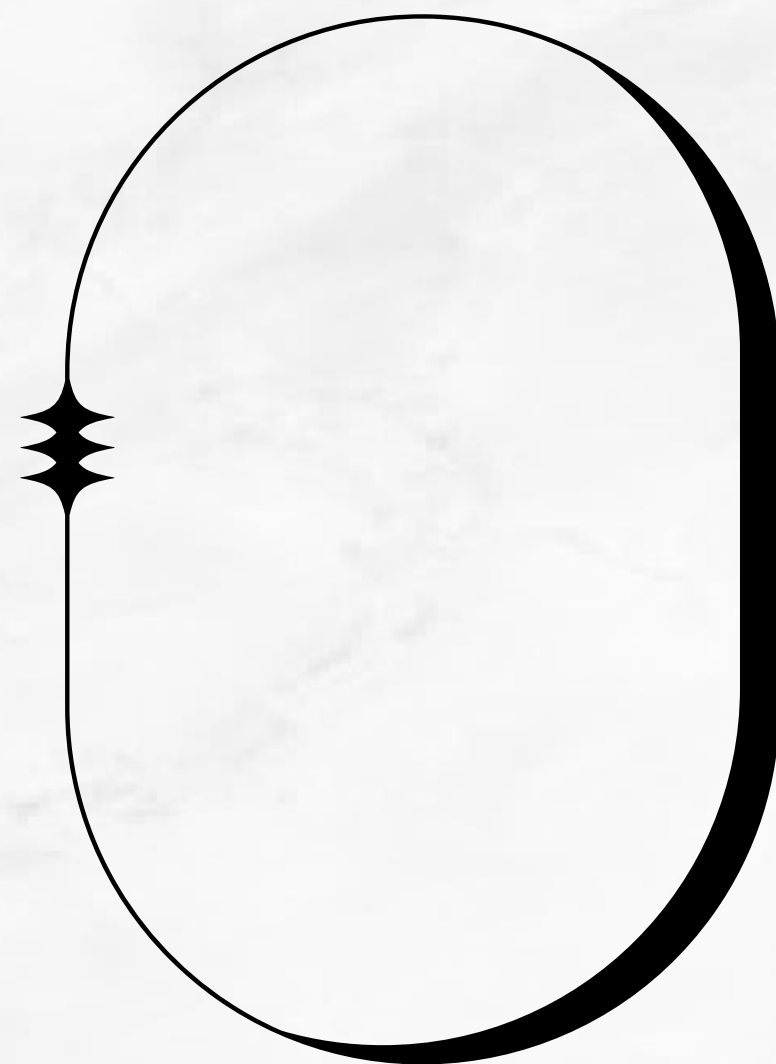

Guiding clients through the completion of aptitude, personality, and adjacent tests.

Walking clients on how to conduct an effective job search, including resume and cover letter writing, networking, and interview preparation

Pinpointing and informing clients of potentially helpful career-related opportunities.

Coaching and mentoring to help clients develop the skills they need to succeed in their chosen careers
